First Ever Ladies Goose & Duck Hunt at Blue Sky Outfitting

September 9 - 11, 2009

Book Now!! Blue Sky Outfitting inaugural women's goose & duck hunt!!

Hunting and non-hunting media will be here to cover the event

Women-afield face hunting challenges and stereotypes and this creates immediate media buzz that can generate positive branding for women hunting. We pride ourselves on being client friendly and we are confident that the women's hunt will be a great success.

The event includes a day of skills training, quarterbacked by our hunter safety coordinator for the McLennan area. The second day and third morning will be the hunt itself, run by Blue Sky outfitting staff and included more assistance in the field with experienced mentors. The day will end with an opportunity to learn how to clean and prepare birds. The evening meal will include some goose and duck dishes prepared for your enjoyment.

In short, this event couldn't be better!

The women will gain the experience, and many will definitely hunt waterfowl again!
